

From the Desk of Mrs. Golding:

At last week’s board meeting, a number of administrator appointments and transfers were approved.

As part of these changes, it is with mixed emotions that I share with you the news that I will be moving on to a Principal position at Holly Meadows School in Barrie this Fall. During my last 2 years at Creemore, I have had the opportunity to work with so many amazing students, staff, families and community members. I am looking forward to the opportunities that await at my new school, however, as this community is well aware, Creemore is truly a special place to live and work and I feel blessed to have been a part of it.

I am pleased to announce that joining the NCPS community as principal this Fall is Mark McCain. Mr. McCain is currently Vice-Principal at Birchview Dunes in Wasaga Beach and is thrilled to be moving into his new role in Creemore. On Tuesday June 6th, Mr. McCain will be visiting for the afternoon and will be attending our last school council meeting of the year. If you would like to meet him, be sure to stop in and say "hello" at the end of the day or feel free to attend our council meeting in the library at 6pm.

As you can see from the important dates, below, June is still filled with many great learning opportunities! It will be a busy month and before you know it, students will be celebrating the end of another successful year at NCPS. Be sure to visit our website, Twitter, Instagram or Facebook page for pictures, ongoing updates and announcements.

Thanks NCPS for a great two years and have a safe and happy summer!!

First Rider program gives students the chance to ride a school bus

The Simcoe County Student Transportation Consortium (SCSTC) welcomes students to take part in the experience of riding on the school bus for the first time through their First Rider program. This program, offered in the summer, teaches school bus safety for first-time school bus riders and includes a ride on a real school bus. This FREE program is provided by the SCSTC, in partnership with school bus operators, to educate students and their families about the rules and responsibilities on and around the school bus. The sessions start in late August at school locations across Simcoe County. Parents/guardians and students attending school in Simcoe County may attend any of the sessions. For more information and session dates/times, visit the SCTSC website at: main.simcoecountyschoolbus.ca and click on the ‘Safety’ link.

Ministry of Education seeks online engagement regarding implementation of *First Nations, Métis and Inuit Education Policy Framework*

The Ontario Ministry of Education is working with researchers to gather feedback and input to inform the development of the Third Progress Report on the implementation of the *First Nations, Métis and Inuit Education Policy Framework*. Students, parents/guardians and families, teaching and nonteaching staff, Indigenous communities, organizations and partners, and school boards are invited to participate in an online survey and/or online focus groups to capture successes and help to identify promising practices and opportunities to provide further support to enhance the achievement and well-being of Indigenous students.
